

Dear Parents,

This week the children have undertaken a variety of assessments in maths and English, which they have faced with confidence and growth mindset. They have shown great maturity in reflecting on their assessments and have identified their strengths and areas to work on. I am sure that their excellent attitude towards learning since the start of the term will continue to ensure lots of successes throughout the year.

Each year we give all of the Year 6 children the opportunity to run to be a House Captain for their school house. House Captains are responsible for collecting weekly house points, sharing their house's success in celebration assemblies, preparing their house for sports day and many other responsibilities. All of the Year 6 children are given the opportunity to pitch to the rest of their house to be voted as House Captain if they wish. However, this is optional and any child who does not want to run for House Captain does not have to. I have spoken to the children in Year 6 and have explained to them that they need to prepare a speech to present next Thursday. They can present this in any way that they like - it could be a speech, a poem, a powerpoint, a song...the possibilities are endless! I look forward to seeing what the children come up with.

Miss S Fletcher
Head of School

Attendance

The current attendance is: 97.5%

Lateness

Number this week: 2

Please arrive at school before 8:50am
